Amendment to Liability Insurance Buyers Report, Europe 2005 / Limits of Liability 2005

Please be advised that Figure 10 published in the Liability Insurance Buyers Report and on page 29 of Marsh’s Limits of Liability 2005, referring to liability purchasing limits and prices paid for companies in Europe with or without North American operations, contains inaccuracies due to keying-in errors.

The table ‘Figure 10’ below should be used instead.

	Operations in North America		No Operations in North America	
	Average Limit (millions)	Price per Million	Average Limit (millions)	Price per Million
Central & Western Europe	63	€20,629	19	€12,563
Eastern Europe	13	€3,637	9	€5,533
Nordic	37	€14,361	19	€9,074
